Are you serving as an educator in your church—either as a volunteer or as paid staff? Do you feel like you would like to have a stronger biblical and theological foundation and greater skills in educational ministry leadership? Then the Educator’s Certification Committee (ECC) of the Presbyterian Church (U.S.A.) has created a training process for you (and maybe others serving alongside you in educational ministry, as well) that can lead to endorsement as a Christian Education Associate (CEA). With the beginning of 2021, new requirements were introduced for the CEA because of the changing needs of churches. Find out more here on APCE.net. If your church is worshipping online at Mother’s Day, you can find the digital materials online at <https://www.prescommunities.org/mother-s-day-gifts>.
