After the diagnosis of her mother's Alzheimer's in 2006, Carol began her study of the brain and the various forms of dementia. She is an Amazon #1 Best Selling author who travels the country to bring dementia education and LOTS OF LAUGHTER to overworked and underappreciated dementia caregivers. Her goal is to help individuals AVOID cognitive decline while bringing knowledge, power, hope and smiles into the lives of the individuals she meets. She is a Nationally Certified Dementia Practitioner and Endorsed Life Coach serving families dealing with cognitive issues.
