## 2024 MISSION PARTNERSHIP GIVING REMITTANCE SHEET INSTRUCTIONS

In 2024, the Mission Partnership Giving Funds form has changed. The General Assembly has changed how mission co-workers (missionaries) are supported. All missionaries will be supported through one fund (Fund D500115 - Mission Personnel). Missionary support is no longer considered part of your pledge. It is Non-Budgeted Mission Partnership Giving. It is considered over-and-above. There has been some changes in this remittance form, and there have been some changes in church treasurers. Therefore, this instruction page describes the remittance form and the various parts.

Each church accepted an amount towards **Mission Partnership Giving** for 2024. This is the amount the church will give, usually in monthly payments, towards all the items listed in the Presbytery's Spending Budget [your Acceptance divided by 12 would be a good way to submit remittances].

Some churches wish to make contributions through Budgeted Acceptances to some special items of the Budget. That is one way to personalize your giving, if you choose. As long as this giving is **PART OF** the Budget, these amounts are counted towards fulfillment of your **Mission Partnership Giving Acceptance**. On the remittance page such items are listed.

Therefore, the total of **items A** is made up of **Mission Partnership Undesignated Giving plus Designated Giving. For Designated Items To Count Towards Your Church's Acceptance, It Must Be Stated On The 2024 Pledge Commitment Form From Your Church.** This should represent one-twelfth of the Acceptance if it is paid monthly - it should total the Acceptance at the end of the year.

The Per Capita Assessment **item B** for 2024 is \$12.60 (\$9.80 for General Assembly, \$1.50 for Synod, \$1.30 for Presbytery) for each active member on roll (this is based on active members as of 12/31/22. This is usually paid in one lump sum - **DUE BY JANUARY 31, 2024.**

There are a number of contributions that both individuals, groups, and local churches want to make to special causes that are of interest to them, or that they feel some concern to support in a special way. These are **NON-BUDGETED BENEVOLENCES**. They are **NOT**, repeat **NOT**, part of the Mission Partnership Giving acceptance for the church! While some of them are in the Presbytery's Spending Budget for certain amounts of support, these are special kinds of concerns that some churches want to give to **OVER-AND-ABOVE**. The **OVER-AND-ABOVE'S** total **item C**. They do not count as part of the Acceptance. Please read this carefully - we hope it is clear - but if it isn't, please get in touch with the Presbytery Office, so we can clarify any questions. "**Dimes for Hunger**" is an Over-And-Above, too, for the Presbytery.

**TOTAL REMITTANCE** is the sum of **A + B + C**. Please check over the page each time to be sure you have written the church's contributions on the appropriate line.

Each month you will receive a computer print-out of your giving by general categories as shown on this remittance page -- and a report showing your Acceptance and the amount left as a balance toward your acceptance. We hope this proves helpful. If there are any discrepancies, please notify the Presbytery Office when you discover the discrepancy. This will help bookkeeping if the changes can be made throughout the year instead of the end of the year.

Please get in touch with the Presbytery Office, if you need any help or information - we want to assist you in your important job as treasurer. It is **very important** to put the Church Name, Treasurer's name, and date you remitted! Please list the name of your missionary and their project #, if you know it. If you are supporting more than one missionary, please list the name of each missionary and the amount of money you want to contribute to each one.
